I, as a team member, know that solving Odyssey of the Mind problems is a great achievement, and that I am representing my team as well as my family, school and town. I am proud to be a part of the team and want to make everyone proud of my commitment and creative ideas.

I will read the rules in the current Odyssey of the Mind Program Guide and the rules for our chosen Long-Term problem, including clarifications. I am aware that the judges must enforce these rules and know that our solution will be all the better for reading the guide and the problem.

I commit to the team by promising to attend practice and competition.

I refuse to accept Outside Assistance or give it to other teams. This includes posting or viewing videos of solutions on video sharing web sites such as Youtube® until after World Finals as stated in the Program Guide.

I will remain open to accepting my teammate’s ideas and know that teamwork and friendship is an essential part of Odyssey of the Mind.

I will respect my coach, the judges and other tournament officials and remember that they volunteer their time to provide me the opportunity to participate in Odyssey of the Mind.

I believe that I should be treated fairly, with respect and kindness, and I will treat all others in the same manner.

I will not damage school property, other teams’ materials, or any property that is not my own. I understand that causing harm or damage to other people or their property will result in appropriate disciplinary action and fines.

I will do my best to make Odyssey of the Mind a fun and memorable experience filled with the opportunity to meet new people from around the world and to have fun!

Be sure to review this form with the team. It must be filled out and signed by every team member and kept by the coach.
