NASA

See images of Earth from a different point of view in the NASA/NOAA Electronic Theatre! Watch dramatic images of Earth using the latest HDTV and video projection technology.

Here's a preview:

- 🌐 **Fly** from outer space to Ames and anywhere on the Planet using data from NASA satellites.
- 🌐 **Feel** the pulse of our planet! See how vegetation, clouds and temperatures respond to the sun and seasons.
- 🌐 **Witness** changes in our Earth.
- 🌐 **See** U.S. and international global satellite weather movies, complete with typhoons and "tornadoes."
