- 🌐 **Fly** from outer space to Ames and anywhere on the Planet using data from NASA satellites.
- 🌐 **Feel** the pulse of our planet! See how vegetation, clouds, and temperatures respond to the sun and seasons.
- 🌐 **See** U.S. and international global satellite weather movies, complete with typhoons and tornadoes.
- 🌐 **Witness** changes in our earth in a way few get to see!
- 🌐 **Talk** with real NASA scientists!

***NASA E-Theater will be held in Curtiss Auditorium  
NASA activities will be held in Memorial Union***

***Check your program for up-to-date NASA Activity times & locations.***
