

# E-THEATER

*Take advantage of one of the many perks of being sponsored by NASA! See the earth as if you were looking from space and learn lots of interesting facts from a NASA scientist that's here especially for you.*

- **Fly** from outer space to East Lansing and anywhere on the Planet using data from NASA's high-tech satellites.
- **Feel** the pulse of our planet! See how vegetation, clouds, and temperatures respond to the sun and seasons.
- **See** U.S. and international global satellite weather movies, complete with typhoons and tornadoes.
- **Witness** changes in our earth in a way that few get to see!
- **Talk** with real NASA scientists and ask questions!

*Check your World Finals program for the most up-to-date NASA E-Theater times & location.*
