HELP SUPPORT CREATIVE PROBLEM-SOLVING!

Learn what simple action you can take to help COU support Odyssey of the Mind teams around the world.

What is COU?

- Creative Opportunities Unlimited (COU) is a federally registered 501(c)(3) not-for-profit organization whose mission is to support members and teams participating in the Odyssey of the Mind School Program.

- Through its fundraising efforts, COU has been able to annually provide numerous scholarships, help fund new organizations so they may provide creative problem solving to local schools and students, and to provide financial assistance and other services in order to enable teams to succeed in their continued quest for creativity and excellence.

How Can You Help?

- By indicating that you wish to dedicate $5 of your package cost to COU, you will be supporting COU in its efforts to provide creative opportunities and scholarships without increasing the cost to you!

- If registering online, it has already been pre-selected for you on page 2 of your Lodging and Meals Reservation Form. Un-checking will not decrease your registration costs. Also, leaving it checked will not increase them. It simply shows that you want to support creative problem-solving education.

On behalf of COU we thank you for your generosity and wish you a wonderful Odyssey of the Mind 2012 World Finals.
