Spring 2014

Dear Odyssey of the Mind International World Finals Team,

It is with great pleasure that we invite your team to participate in the Odyssey of the Mind 2014 World Finals at Iowa State University in Ames, from May 28 to May 31, 2014. Opening ceremonies will begin at 7:30 p.m. on Wednesday, May 28, 2014.

Included in this section are the forms for World Finals registration, room and board reservations, transportation information, announcements about special events, a copy of the Coaches Competition problem, and other pertinent information. You will receive an official schedule of events when you arrive on campus. Your team's competition schedule will be posted on our website the beginning of May at: www.odysseyofthemind.com/wf2014/teams.php

Please register online through our website at www.odysseyofthemind.com **IMMEDIATELY. NO PAYMENT IS NEEDED AT THIS TIME.** You will need to be on campus starting Wednesday, May 28 through Sunday, June 1. Therefore, Package 1A is the package you should select. We are holding space in the university residence halls for international teams. Please let us know if you need an invitation letter. **Bring the completed Media and Medical Release Forms, as well as the Team Contract with you to Registration.**

All teams should complete the Housing Grant Application offered by Creative Opportunities Unlimited (COU) at www.creativeopportunities.org, or by logging onto our website at www.odysseyofthemind.com and clicking on the link for COU. Only teams that are scheduled to compete at World Finals are eligible to apply for the COU grant. Questions regarding COU Housing Grants should be submitted to the COU Grant Chairperson, Ron Raab-Long at ron@delcaps.org.

Linda Stevenson, International Liaison, and Tom Scott, Homestay Coordinator, have been working with international association directors to facilitate home stays after the event. Please work with your association director if you wish to participate in a home stay after World Finals. You will be assigned a "buddy" team while you are on campus. This is a U.S. team that is participating in the World Finals and has volunteered to help you while you are on campus. This buddy team will assist you in getting around campus, obtaining any materials or services you may need, and making you feel welcome.

At Registration, you will be given an opportunity to sign up for travel insurance. Please keep in mind that this insurance is intended to supplement your current health insurance while traveling in the United States. It is not meant to replace it.

There will be a meeting for all International (non-English speaking) teams with the International Problem Captains at 2:00 p.m. Wednesday, May 28. It is important that your coaches, team members and interpreters attend this meeting.

Please note that team members cannot practice on the actual competition site. Any team observed by an official doing so will be given an unsportsmanlike penalty. Practice facilities will not be provided.

Since competition takes place over three days, it is most difficult for team members to keep the spontaneous problems secret. However, please remember that any competitor overheard revealing the spontaneous problem given in competition will subject his/her team to penalty or disqualification. In addition, should a competitor hear the problem before competing, adjustments may be made in scores or scores may be eliminated to overcome this advanced knowledge.

We hope you are looking forward to your participation. We are looking forward to hosting you.

Sincerely,

A handwritten signature in black ink that reads 'Sammy Micklus'.

Samuel W. Micklus
Program Director
