

Help Support Creative Problem-Solving!

*Learn what simple action you can take to help COU support
Odyssey of the Mind teams around the world.*

What is COU?

- Creative Opportunities Unlimited (COU) is a federally registered 501(c)(3) not-for-profit organization whose mission is to support members and teams participating in the Odyssey of the Mind School Program.
- Through its fundraising efforts, COU has been able to annually provide numerous scholarships, help fund new organizations to provide creative problem solving education in local schools, and to provide financial assistance and other services so teams can continue their quest for creativity and excellence.

How Can You Help?

- At no extra cost to you: donate \$5 of your package cost to COU. Simply indicate your registration form that you will allow \$5 of your cost to be allotted to COU. With just one simple step you will be supporting COU in its efforts to provide creative opportunities to others around the world.
- If registering online, it has already been pre-selected for you on page 2 of your Lodging and Meals Reservation Form. Unchecking will not decrease your registration costs. And leaving it checked will not increase them! It simply shows that you want to support creative problem-solving education.

*On behalf of COU we thank you for your generosity and wish you
a wonderful Odyssey of the Mind World Finals!*
